

Project name: **Annual Prize Giving and Educational Scholarship Program**

This project has been initiated by the Ganeshwara family on behalf of Thavady people living in the USA. The students achieving excellence in their educational goals will be honored and awarded with various scholarships/prizes. The awards will be named in the name of people who performed community services and all the Maaveerar from Thavady who sacrificed their life for the cause of freedom struggle. This year program is planned to be held latter part of September and more details are forthcoming.
